

AT ONCE! STOPS STOMACH MISERY AND INDIGESTION

"PAPE'S DIAPEPSIN" MAKES
SICK, SOUR, GASSY STOM-
ACHS FEEL FINE.

Do some foods you eat hit back—
taste good, but work badly; ferment
into acids and cause a sick, sour,
gassy stomach? Now, Mr. or Mrs.
Dyspeptic, get this down: Pape's Dia-
pepsin helps neutralize the excessive
acids in the stomach so your food
won't sour and upset you. There
never was anything so safely quick,
so certainly effective. No difference
how badly your stomach is upset you
usually get happy relief in five min-
utes, but what pleases you most is
that it helps to regulate your stom-
ach so you can eat your favorite
foods without fear.

Most remedies give you relief some-
times—they are slow, but not sure.
"Pape's Diapepsin" is positive in
neutralizing the acidity, so the mis-
ery won't come back very quickly.
You feel different as soon as
"Pape's Diapepsin" comes in contact
with the stomach—distress just van-
ishes—your stomach gets sweet, no
gases, no belching, no eructations of
undigested food, your head clears and
you feel fine.

Go now, make the best investment
you ever made, by getting a large
fifty-cent case of Pape's Diapepsin
from any drug store. You realize in
five minutes how needless it is to suf-
fer from indigestion, dyspepsia or
any stomach disorder due to acid
fermentation.

Connecticut Mills' Team Celebrates
Close of Season—Herbert F. Watson,
Reported Lost on Transport Antilles,
Nephew of Mrs. W. H. Judson
—Week in Town Court Without a
Case—Liberty Bond Subscriptions
Only \$120,000 to Date.

Members of Col. W. H. Hamilton
camp, United Spanish War Veterans,
are receiving bronze service medals
from the adjutant general's office in
recognition of their service during the
Spanish-American war.

Bulletin Board Probable.
There is under consideration a plan
for erecting upon Davis park a bullet-
in board upon which will be placed
the roll of honor of Danielson's young
men enlisted in the service of the
United States. The matter is being
considered by First Selectman John
A. Gilbert and Warden F. E. Cun-
neen.

Victorious Team Celebrates.
Members of the Connecticut Mills'
baseball team and their guests gath-
ered at a banquet at the Daniel-
son inn Saturday evening. The event
was a very pleasant one.

Hunters report that woodcock and
quail are plentiful in nearby hunting
territory and that a considerable num-
ber of partridges and pheasants are
being seen.

HERBERT F. WATSON

Nephew of Mrs. Judson

Wireless Operator Lost on Transport
Antilles Had Visited in Borough—
Native of Norwich.

Wireless Operator Herbert F. Watson,
who is reported as lost from the U. S.
Transport Antilles, torpedoed by a
German U-boat, was a nephew of
Mrs. W. H. Judson of Academy street.
The young man, but 23 years of age,
enlisted early in April and was one of
the first to answer his country's call
after the declaration of war. Mr.
Watson visited here during the early
part of the past summer and was a
favorite with all who met him. As told
in The Bulletin's dispatches, he was
born in Norwich. His home was in
Rutland, Mass.

Lukewarm Patriot!
A striking example in conservatism
is afforded by a woman of this town
who is declining to buy a Liberty
bond, which she is well able to do, be-
cause her relatives, a man about 45
years of age, may be called to a later
draft and that she will need her money
to care for herself. Hoch der
kaiser!

Roll Call and Supper.
The roll call and supper of the
Westfield Congregational church is
set for Thursday evening of next week.
The church will receive new members
Sunday, November 4th.

Liberal Collection For Bonds.
At St. James' church Sunday, the
members of the parish gave liberally
to the collection which is to be used
to buy Liberty Bonds in the name of
St. Agnes' home, West Hartford.

A CASELESS COURT.
Entire Week, With Nothing Doing in
Town Tribunal.

The remarkable record of going
through an entire week without a
case in the town court was hung up
at the close of the past week. The
theories are being advanced as to the
falling off in the number of cases up-
on account of intoxication, but inci-
dentally all other kinds of cases ap-
pearing were missing. The week's record
is fine; six months more like it would
be much better.

Telephone Honor Roll.
The current issue of the Telephone
Bulletin shows a page of photographs
of S. N. E. T. men who have en-
listed in military service. Among
the group are pictures of Benjamin
Gilbert and Richard Lane, who were
employed in the Danielson division,
plant department.

Brooklyn Women Do Their Bit.
A report from the War Relief as-
sociation of Brooklyn shows that the
organization has accomplished a great
deal since late in the spring. Sweaters,
wrists, helmets and hospital
supplies have been made in quantities
much of which has been completed
sent directly to the Red Cross. Many
articles also were sent to members of
the 38th Company, at Fort Terry. This
company has a number of Brooklyn
boys in its ranks.

BONDS ALL READY
FOR PATRIOTIC SUBSCRIBERS

Those Who Would Back Up the Gov-
ernment Have Taken Only \$120,000
to Date.

Up to the close of business here on
Saturday afternoon subscriptions at
the three banks in the borough showed
that Liberty Bonds have been
taken here to the extent of approxi-
mately \$120,000. The great bulk of
this came in during the week.
The figures represent a substantial
start, the fact remains that it is only
a little more than one-third of the
amount that was subscribed here
last week for the first loan, in June,
and is very far below the minimum
figure set for this district to produce
during the present campaign for funds.

Saturday night's rally stirred up en-
thusiasm and brought to the minds of
many the fact that it is up to those
who are staying at home to back with
their money the boys who are going
across to fight. More money also
means more torpedo boats, greater
protection for the men who must make
the perilous voyage across the ocean
and fewer Antilles cases.

The house to house canvass will
continue in Danielson and vicinity
throughout the present week, which is
the last week for subscribing, for the
date for closing is set for next Sat-
urday.

Delay in delivering the first bonds
cannot be given as an excuse for not
subscribing for the new issue. The
new four per cent. bonds are right
here in town ready for delivery to any
person who is prepared to lay down
the cash in payment.

appearance in the local city court and
afterwards, while in Hartford, called
the attention of the automobile com-
missioner to their cases, got no satis-
faction. They were told to bring their
bonds rightfully held, so they forfeited

Cigarettes to Cost More.
This morning the price of cigarettes
will take a jump in this city. In
making this advance the tobacco deal-
ers will be following in the footsteps
of many thousands of dealers through-
out the country who already have ad-
vanced their prices on cigarettes in
order to offset the increased cost to
them, due to the sharp increase in the
taxes upon the product. Fifteen cent
packages of cigarettes will go to 18
cents. There will, however, be an ad-
vance of only one cent on the five cent
brands. The 10 cent packages will
be boosted to 12 cents and the 25 cent
packages to 30 cents. Smoking to-
bacco in tins and other packages is
also scheduled for an upward jump.

Though modern science has invented terrible weapons of war there is a
tendency to use ancient appliances in a new form. For instance, various ex-

enemy.

FIRST TO PAY WAR TAX ON AMUSEMENTS

Miss Margaret G. Savage of Brook-
line, Mass., Claims That Distinction

Bocton, Oct. 21.—Miss Margaret G.
Savage, of Brookline, yesterday claim-
ed the distinction of being the first
person in New England to pay the
war tax on amusements.
She went to the box office
of one of the leading theaters and
paid down \$4 for two seats for a per-
formance on the night of November
1, on which day the tax becomes ef-
fective.

"Forty cents more, please," said the
box office man, who explained that
the additional tariff went to Uncle
Sam.

"Well, I hope it puts a thorn in the
kaiser's head," the young woman re-
plied, as she paid the tax.

Bolo Pasha's Health Improved.
Paris, Oct. 9.—The health of Bolo
Pasha under arrest as a German propa-
gandist has been restored and he
will be transferred tomorrow from
the prison infirmary to a cell in the
Sainte prison in Paris.

Fifty-eight more alien enemies were
interned on Ellis Island.

CHRISTMAS PACKAGES FOR SOLDIERS AND SAILORS

Will be Red Cross Gift for Every One
at Home or Abroad.

Washington, Oct. 21.—Every Ameri-
can soldier and sailor will have the
best Christmas the Red Cross can
give him. Each one in this country
or abroad will receive a Christmas
package, approximating a value of
\$1.50 and containing chewing gum, to-
bacco, writing material, games, dried
fruit, candies, puzzles, knives, mouth
organs or other articles. Each pack-
age is to be wrapped in a khaki-col-
ored handkerchief and tied with red
ribbon.

To expedite preparation of these
million Christmas packages, Harvey
D. Gibson, general manager of the
American Red Cross has appointed
the making of the packages the 18
thousand cross divisions into which
the country has been apportioned. The
work will devolve upon the 2,500 Red
Cross chapters and one-third of every
division will have to be in the di-
vision warehouses by November 1.

Money for the purchase of the pack-
ages is being raised through contrib-
utions by individuals for this special
purpose. No part of the Red Cross
war fund will be used.
